Pupil Premium Admissions Priority

Academies (including Free Schools) are allowed to give priority in admissions to pupils attracting the Pupil Premium payment to schools. The following pupils attract the Pupil Premium:

- Children registered as eligible for free school meals
- Children who have been registered as eligible for free school meals at any point in the last six years
- Children who have been looked after by a local authority continuously for more than six months
- In addition, the following pupils attract the Service Premium and are also eligible for admission under the Pupil Premium admission priority:
 - Children whose parent(s) are serving in the UK armed forces or who are serving in the armed forces of another nation and are stationed in England.
 - If more pupils apply to the school than there are places available, Holyport College will give priority to all the above categories of children in the order set out in our admission arrangements.

Children who are looked after do not need to be given priority under the 'Pupil Premium priority' as they are already given highest priority in the admission arrangements alongside former looked after children. All other pupils eligible for the pupil or service premium will be given equal priority for admission.

If you think that your child falls into one of these categories, please tick the relevant box below. These children will be considered under 'Pupil Premium priority' within our published admission arrangements.

Please note that we may ask for evidence to confirm your application and an offer of a place may be removed if fraudulently obtained.

Category 1:	My child is entitled to free school meals	
Category 2:	My child has been registered as eligible for free school meals within the last six years	
Category 3:	One or both of my child's parents is serving in the UK armed forces or the armed forces of another nation, and is stationed in England. If parents are separated or divorced, in order to qualify under this criterion the parent in the services must be the prime carer for the child.
