

## **Boarding fees for Service personnel**

**Continuity of Education Allowance (CEA)** is paid to Service personnel, who meet certain criteria, to ensure their children receive continuous education.

The CEA covers 90% of fees and parents/carers who receive it may also be entitled to receive Childcare Vouchers which can be used towards the remaining 10% of charges.

Here is an example of how these allowances could affect charges for a boarder:

### ***Example:***

#### **Per term for a boarder in Years 7 to 11:**

Fees 2025-26	£ 6,180
Reduction due to CEA	£ 5,562
<b>Parent contribution</b>	<b>£ 618</b>
