iPads

iPads are an essential part of the teaching approach at Holyport College for students in years 7 to 11. Parents/carers of students are required to purchase an iPad through the College, the cost of which for the academic year 2025/26 is £299 for the iPad, case, stylus, management software and installation / set-up.

This ensures that all students have the same IT equipment and educational and safeguarding software throughout their journey to GCSEs.

Payment for the iPad bundle is collected via ParentPay. Parents/carers can choose to make this payment all up front or split over 3 months: 6 June 2025, 7 July 2025, and 6 August 2025.

Future years

Fees are reviewed annually and may be subject to change at the discretion of the Governing Board. The impact of inflation on the cost of the College's educational provision is a key factor considered in this annual review.
