(Maternity Cover from 1st January 2026)  
Candidate Information**

# WELCOME

Welcome to Holyport College. I hope, as you read on and learn more about this very special school, you will become more and more excited about joining the Holyport team and the opportunities that provides.

If appointed, you will be joining an excellent, welcoming and supportive languages department. Our students are diligent and keen to learn; this is reflected in strong exam results. All students study Spanish in Year 7 with options to add French in Year 7 and Latin in Year 8. Almost all students take a language at GCSE and many choose to continue their study of languages to A Level and beyond.

Holyport College was the country's first state boarding free school, opening in 2014. It is a distinctive, popular secondary school with 600 pupils, over 200 of whom are boarders. With a comprehensive intake at Year 7, it actively promotes social mobility and has an outstanding record of supporting the most vulnerable. Many of the pupils progress to our high-performing, academically selective Sixth Form where they are joined by a similar number of new students. The College is a vibrant, ambitious and inclusive community where young people thrive. They follow an aspirational academic curriculum alongside an exceptional co-curricular offering that is equally valued by the College and made possible by the extended school day. You would be joining a remarkable staff team who all care deeply about the College.

Holyport College has a unique strategic and very close working partnership with its nearby sponsor, Eton College. With the help of a strong boarding ethos, it has managed to create a "joyous place to learn" which offers students the best of both state and independent education.

If this is a school and a role that excites you and you believe you have the requisite skills, experience and dynamism, we would be delighted to hear from you.

# THE LANGUAGES DEPARTMENT

Learning a foreign language provides pupils with a better understanding of their own native language and culture, not only cultural customs, but of the grammar, vocabulary and pronunciation patterns of their first language. Students develop their listening, speaking, reading and writing skills and express themselves with increasing confidence, independence and creativity.

At the College, pupils are immersed into new world perspectives, inviting them to experience a world beyond their own to help them fully appreciate the language thereby expanding their horizons. They develop into tolerant individuals with an understanding of life that is open-minded and leads to an appreciation of cultural diversity.

All students study Spanish from Year 7, with the opportunity to study French as an extra language from Year 7 and Latin from Year 8. Almost all students study at least one language at GCSE and many continue to study languages at A Level and beyond. Languages trips have included Valencia, Barcelona and Paris.

As a prospective teacher at Holyport College, you would join a passionate and dedicated team committed to nurturing each pupil's potential. We value a dynamic and supportive teaching environment where professional development is encouraged, and creative thinking is at the heart of everything we do.

# HISTORY AND OVERVIEW

Holyport College (pronounced Hollyport) is a state boarding and day school for boys and girls aged 11–18 located in Berkshire. It was the first state boarding free school in the UK, and it is currently full to capacity, catering for just over 600 pupils, more than 200 of whom board. The doors opened to its first students in September 2014, with the Sixth Form provision beginning in September 2017.

Years 7–11 are non-selective, but the Sixth Form, with over 200 pupils, is academically selective. Holyport College is a state school but, like some other state boarding schools, has a long school day for everybody, finishing at 5.00pm. The extended day affords the opportunity to offer a huge range of co-curricular activities to suit all tastes, with participation in the programme compulsory for all students. Whilst the College has certain elements which are deliberately modelled on a traditional private boarding school, the aim is to emulate the best of both the state and independent sectors. In terms of funding, approx. 50% comes from state, and approx. 50% comes from boarding fees.

Holyport College is exceptionally proud of its close partnership with Eton College which aims to become the gold standard by which other state and independent school collaborations are judged. Through this partnership, the lives and education of every student at Holyport College are significantly enriched on a regular basis. Eton College, founded by Henry VI in 1440, is situated just a few miles away from Holyport, near Windsor. Whilst Holyport College may be a relatively new school, it is fortunate to be able to draw on Eton's heritage and experience. The partnership has allowed Holyport to forge links at a number of levels, including governance, the sharing of facilities, the creation of enrichment opportunities, the establishment of an educational research and innovation centre at Holyport and through positive staff and student interactions. That said, Holyport College is not Eton College. It has a unique and strong personality of its own which is distinctive, exciting and a little bit quirky.

Holyport continues to develop and improve at a remarkable pace and recent initiatives include:

- ♦ the introduction of iPads for every student
- ♦ the opening of three new Eton Fives courts
- ♦ The planning of a new Performing Arts Centre
- ♦ The launch of The Holyport College Foundation, incorporated in November 2023, which is intended to raise funds for grants, items, services and facilities for the College and its pupils.

The College is located on Ascot Road in Holyport, a suburban village in the parish of Bray, about two miles south of Maidenhead town centre in leafy Berkshire. The village has a doctor's surgery, a newsagent, a grocery, a butcher, a small café and a hairdresser, as well as the post office and four pubs.

It is well connected: located 4 minutes from the M4 (junction 8/9) and 7 minutes from Maidenhead railway station (Elizabeth line and GWR).

# BOARDING

Holyport feels like a fully integrated boarding and day school, not – like many schools – a day school with a few boarders. Day and boarding pupils are treated alike (with all day pupils staying late and doing most of the same activities as boarders). It also helps that all pupils are assigned to a House – boys' boarding Houses are joined by girl day pupils and vice versa. About half of our boarders are in school all weekend, when there are plenty of activities to keep them busy.

There are almost equal numbers of boy and girl boarders. Some are relatively local, others are from further afield, including overseas. They are housed directly above the classrooms, with the biggest dormitories housing up to six younger pupils, whilst Sixth Form boarders share double rooms. Boarders have access to a kitchen on their corridor, and Sixth Form students also have their own living room on their corridor. The College has a dedicated, onsite medical centre staffed by a full-time nurse.

With more than one-third of students living on site, boarding is very much at the heart of the College community and strongly reflects its values and ethos. Holyport's modern boarding model seeks to replicate the family atmosphere of a home, where relationships are familiar in nature and the environment relaxed and stable.

Many staff are also involved in the boarding life of the school for which they receive additional remuneration and, in some cases, accommodation. Please let us know if this is of interest (see 'Application Process')
